YOU ARE WORTH MORE THAN MANY SPARROWS

Sometimes we look for very complex answers when a simple promise or solution is right in front of us. As I am writing and looking out the window, I see half a dozen little birds sitting in a bush. Their presence is a reminder to me of God's love and care for each and every one of us. If something that seems so insignificant or incidental is known by God, how much more are we loved and cared for! Take a moment, look at the world around you, breathe, take it in, and ask God for the help you in your need. Turn matters over and place your trust in a loving God.

Remember, though, Jesus seldom heals without some sort of action on our part. When you have given your concern over to God, other concrete steps may be necessary. Is it time to schedule an appointment with a professional? Time to name an issue? Or time for the sacrament of reconciliation? Evil's power comes from remaining in the darkness. When we no longer close ourselves off or suffer alone but share our concerns with someone, we can begin to grow and heal and move past them. It is seldom magical or instantaneous. It is a long arduous process. But we hold on to the simple reminder, "You are worth more than many sparrows!" Copyright © J. S. Paluch Co., Inc.

SAINT JOHN FISHER (1469-1535) AND SAINT THOMAS MORE (1477-1535)
June 22

From Robert Bolt's classic *A Man for All Seasons* to *Showtime's* edgy *The*

Tudors, Thomas More endears himself still: lawyer-statesman of impeccable integrity, remarried widower and affectionate father delighting in a lively household—four children, a pet monkey, even a paid jester! And challenges still: humanist-reformer, yet champion of Catholic faith and papal primacy. John Paul II named him Patron of Statesmen and Politicians, citing More's generous work, both as a lawyer and in government service, on behalf of the poorest and most marginalized people of his time, as well as his promotion of education for all sectors of society. More's decision for principle over politics, conscience over convenience prompted his final words: "I die the king's good servant, but God's first." Alone among England's bishops, John Fisher dared challenge Henry VIII's divorce and repudiation of the papacy. When the Pope named the imprisoned Fisher a cardinal, Henry thundered: "Don't bother sending Fisher's red hat here; I'll send Fisher's head to Rome!" Whose "good servants" are we first? Isn't a right conscience worth the pain of standing alone?
